**MELVILLE, N.Y., October 15, 2018** – Henry Schein, Inc. (Nasdaq: HSIC) today announced its lineup of new solutions and events to be featured during the American Dental Association's (ADA) annual meeting, from October 18-20, 2018, in Honolulu, Hawaii.

Visitors to the ADA annual meeting will have the opportunity to learn about Henry Schein's commitment to helping oral health professionals navigate the world of dentistry through the company's digital solutions (booth #1305), Henry Schein One (booth #1405), and Henry Schein Professional Practice Transitions (booth #1304). The company is also hosting a series of live product demonstrations featuring the latest digital scanning devices and milling systems, as well as hosting thought-leader discussions via #ScheinChats, Henry Schein's signature social media series available on Facebook Live. Team Schein Members will be available to help customers create a seamless digital workflow through the improvement of clinical outcomes and operational success.

"The ADA annual meeting is an exciting opportunity for us to showcase the range of practice management, business, and clinical solutions our customers rely on from Henry Schein's network of trusted advisors," said A.J. Caffentzis, President, U.S. Dental Distribution, Henry Schein. "With digital technology rapidly expanding within the dental field, Henry Schein is committed to helping oral health professional seamlessly integrate these technologies into their workflow."

### Featured Solutions to Optimize Practice Efficiency

Throughout the show, Henry Schein will showcase digital technology solutions, including scanners and milling units. Members of the Henry Schein Dental leadership team, along with representatives from Dentsply Sirona, DEXIS, i-CAT, Planmeca, and 3Shape, will be available to answer questions, suggest customized solutions, and demonstrate new products, such as DEXIS Titanium, Planmeca Planmill 30s, and 3Shape TRIOS® Move.

Additional product demonstrations include Henry Schein One's latest practice management software solutions, [Dentrrix® G7](#) featuring Dentrrix Smart Image and OmniCore™. Dentrrix® G7 is the upgraded version of the award-winning practice management system, which integrates the Dentrrix® patient chart with various image types from several third-party imaging vendors, including 2D, 3D, and CAD/CAM images, helping to automate common imaging and practice management-related activities. At ADA, Dentrrix® G7 will be recognized as a 2018 recipient of the Cellerant Best of Class Technology Award. TechCentral's OmniCore™ is an all-in-one network infrastructure solution that provides essential hardware and services needed to operate dental practices' IT needs. Both products were launched this year at California Dental Association's *CDA Presents* in San Francisco, California.

### Engaging Thought Leadership Conversations with Industry Leaders

The Henry Schein Dental booth (#1305) will serve as the broadcast center, featuring [#scheinchats](#), the company's signature social media series available on Facebook Live that will feature engaging conversations offering perspectives from oral health professionals, nonprofits and industry-leading supplier partners. Kicking off this series will be Stanley M. Bergman, Chairman of the Board and CEO, Henry Schein, and Dr. Jeffrey M. Cole, President Elect of the American Dental Association, for a conversation about the issues, trends and opportunities facing the ADA and the dental community.
