

Brad Connett Named President, U.S. Medical Group At Henry Schein, Inc.

May 2, 2018

Industry Veteran to Help Drive Medical Team's Growth and Expansion

MELVILLE, N.Y., May 2, 2018 /PRNewswire/ -- Henry Schein, Inc. (Nasdaq: HSIC) today announced that Brad Connett has been named President of Henry Schein's U.S. Medical Group, one of the nation's leading providers of products and services to physician offices, urgent care clinics, retail clinics, freestanding emergency rooms, Integrated Delivery Networks, Ambulatory Surgery Centers, and other alternate care sites.

Mr. Connett was previously President of the Company's Commercial Group for U.S. Medical.

In his new, expanded role, Mr. Connett will lead the medical group's strategic direction, management, and business performance. He will also be responsible for the group's sales, marketing, operations, business development, and technology solutions. Mr. Connett will report to David McKinley, Senior Vice President and Chief Commercial Officer.

"Brad has distinguished himself throughout his entire career, and he has been one of the architects of the remarkable growth that Henry Schein Medical has enjoyed in recent years," said Stanley M. Bergman, Chairman of the Board and Chief Executive Officer of Henry Schein. "Brad's new appointment reflects his excellence as a senior leader and his ability to drive continued growth."

Mr. Connett joined Henry Schein in 1997 as Vice President of the Southeast Region, following the Company's acquisition of Roane-Barker, and was appointed Vice President, Field Sales, in 2000. Throughout his career, he has received numerous industry honors, including the John F. Saseen Leadership Award from Health Industry Distributors Association (HIDA) in recognition of his leadership, commitment, and service to the health care products distribution industry, and in 2016, he was inducted into the Medical Distribution Hall of Fame by *Repertoire Magazine*. Mr. Connett has been a member of HIDA's Board of Directors since 2005, and served as Chairman in 2011. He was instrumental in forming HIDA's Leadership Development Group, which brings together future health care industry leaders from both manufacturer and distributor companies to exchange ideas, network, and support industry initiatives.

"Throughout the years, Henry Schein Medical has partnered with health care organizations to drive the development and execution of non-acute supply chain strategies," said Mr. McKinley. "Brad's strategic vision, deep-rooted industry knowledge, and wide network will advance our ability to deliver innovative solutions that helps our medical professionals operate efficient and profitable practices."
