MELVILLE, N.Y., Sept. 10, 2018 /PRNewswire/ -- Henry Schein, Inc. (Nasdaq: HSIC) announced today that it is now accepting applications for the fourth annual Henry Schein Cares Medal program, which honors nonprofit organizations from the fields of oral health and medicine that demonstrate excellence in expanding access to care for the underserved. The application deadline is midnight Eastern time on October 10, 2018.

The Henry Schein Cares Medal is an initiative of Henry Schein Cares, the company's global [corporate social responsibility](#) program. Through Henry Schein Cares, the company uses its resources to support health care professionals around the world who provide care for those who would otherwise receive little or no medical attention.

"Team Schein is pleased to open the application process for the fourth annual Henry Schein Cares Medal as we seek to honor the health care professionals and organizations who embody our commitment to 'helping health happen'," said Stanley M. Bergman, Chairman of the Board and Chief Executive Officer of Henry Schein. "We look forward to learning more about this year's applicants, the innovative ways in which they've overcome unique challenges, and the lasting impacts they've had on their communities."

A panel of expert judges from the medical, philanthropy, social entrepreneurship, and business sectors will select three finalists among applicants from the fields of oral health and medicine. Each finalist will receive a \$10,000 cash award through the support of the Henry Schein Cares Foundation.

"The Henry Schein Cares Medal is a great way to honor these organizations for their outstanding work and support them in their efforts to positively impact the health of their communities," said Jennifer Kim Field, Vice President, Corporate Social Responsibility for Henry Schein, and Executive Director, Henry Schein Cares Foundation. "Our company has long championed health care providers who dedicate their efforts to expanding access to care, and we encourage eligible organizations to apply for the Henry Schein Cares Medal today."

How to Apply

Programs also should:

- involve an established multi-disciplinary team that demonstrates the expertise needed for a comprehensive solution to expand access to care;
- demonstrate potential for replication and large-scale impact through data and measurement; and
- include a business plan or demonstration of financial sustainability.

Finalists will be announced in February 2019, and the medals will be awarded at a date and location to be determined in 2019.
