MELVILLE, N.Y., November 21, 2018 – Henry Schein, Inc. (Nasdaq: HSIC) today announced its lineup of new solutions, exclusive product offers, and special events at the Greater New York Dental Meeting (GNYDM) as part of the Company's broader effort to accelerate the adoption of digital technology in the dental profession. In addition, the booth will feature access to key leaders who can discuss emerging trends impacting practices.

Visitors to the GNYDM will have the opportunity to learn about Henry Schein's commitment to helping oral health professionals navigate the world of dentistry through the Company's digital equipment and technology solutions (booth #4225); practice management solutions from Henry Schein One (#4627) - a joint venture of Henry Schein; and financial and business solutions from Henry Schein Financial Services, Henry Schein Professional Practice Transitions, and Henry Schein Business Solutions (#4125). The Company is also hosting live events as part of its Classroom series featuring tips and tools for a productive practice, esthetic solutions for pediatric dentistry, handpiece equipment repair and many more important topics to help enhance practice success. For the complete schedule of daily events offered by Henry Schein throughout GNYDM, visit the Company's [event landing page](#). In addition, Henry Schein subject matter experts are being interviewed as part of Henry Schein's digiTALK series. Video interviews will be featured on [Henry Schein Dental's Facebook page](#).

"We are excited to showcase Henry Schein's portfolio of practice management, business, and clinical solutions that customers can rely on to meet their unique practice needs," said A.J. Caffentzis, President, U.S. Dental Distribution, Henry Schein. "At this year's Greater New York Dental Meeting, clinicians will learn about - and experience first-hand - our latest investments in digital technology to help them seamlessly integrate these technologies into their workflow. As our customers' trusted advisor, we look forward to talking to clinicians about what is happening in the marketplace, and providing education on trends that will help them grow their business. Our success is their success."

Featured Solutions to Enhance Operational Efficiency

Throughout the show, Henry Schein will showcase the latest products offered by Henry Schein, such as 3Shape TRIOS® MOVE, DEXIS™ Titanium and Planmeca PlanMill® 30 S, as well as the full lineup of Dentsply Sirona's CEREC® solutions. Henry Schein Dental's leadership team, along with representatives from Dentsply Sirona, DEXIS, Planmeca, 3Shape, VOCO, A-Dec and KaVo Kerr will be available to answer questions, suggest customized solutions, and demonstrate new products.

Additional product demonstrations include the latest practice management software solutions from Henry Schein One, including [Dentrix® G7](#) featuring Dentrix Smart Image and [OmniCore™](#). Dentrix® G7 is the upgraded version of the award-winning practice management system, which integrates the Dentrix® patient chart with various image types from several third-party imaging vendors, including 2D, 3D, and CAD/CAM images, helping to automate common imaging and practice management-related activities. TechCentral's OmniCore™ is an all-in-one network infrastructure solution that provides essential hardware and services needed to operate dental practices' IT needs.

In addition to product offerings, Henry Schein representatives will be available to discuss its expanded portfolio of practice solutions from Henry Schein Business Solutions and Henry Schein Financial Solutions, including Henry Schein Dental Business Institute, the Henry Schein Practice Analysis tool, and the latest integration of CareCredit with practice management solutions, Dentrix® and Easy Dental® from Henry Schein One, which offers practitioners more financing options for patients.

Exclusive Show Product Offers

Henry Schein is offering many opportunities for practitioners to take advantage of exclusive GNYDM promotions, including special pricing on equipment and technology as part of its Showroom Red Tag Sale; Cyber Monday Flash Sale on select products; [end-of-year savings](#) for treatment center package offerings, as well as 3D imaging and digital impressioning solutions to enhance the patient experience and improve practitioner health; and no payments for six months on new equipment, technology, or off-the-shelf software. New this year, Henry Schein is excited to invite practitioners to its [block party](#) where they can 'mill around' and learn about exclusive offers on Dentsply Sirona CEREC® and Planmeca PlanMill® Blocks.

Engaging Thought Leadership Conversations

The Henry Schein Dental booth (#4330) will serve as a broadcast center, featuring [#scheinchats](#), the company's signature social media series available on Facebook Live that will feature engaging conversations offering perspectives from oral health professionals, nonprofits and industry-leading supplier partners. Kicking off this series will be Stanley M. Bergman, Chairman of the Board and CEO, Henry Schein, and Roopali Kulkarni, President, American Student Dental Association (ASDA), for a conversation about the issues, trends and opportunities facing dental students as they enter the workforce. This chat represents the third consecutive year in which Mr. Bergman has discussed issues of the day with the presiding president of ASDA, reflecting the Company's commitment to the next generation of dental leadership. For those unable to attend in person, #scheinchats will be livestreamed on [Henry Schein Dental's Facebook page](#).

Visit [Henry Schein Dental](#) to learn more about Henry Schein's presence at GNYDM, and details on the business solutions and integrated technologies available to help dental practitioners operate a productive practice, attain business goals, and assist in the delivery of quality patient care.
