September 18, 2019

Now In Its 13th Year, Practice Pink Has Raised More Than \$1.6M for Cancer Research, Prevention, and Awareness Efforts

MELVILLE, N.Y.--(BUSINESS WIRE)--Sep. 18, 2019-- Henry Schein, Inc. (Nasdaq: HSIC) today announced that it will again support nonprofit organizations dedicated to the fight against cancer through its Practice Pink™ program. Through the program, now in its 13th year, Henry Schein has donated more than \$1.6 million towards promoting early cancer detection, improving access to care, and research and prevention efforts.

Along with non-governmental organizations and supplier partners across North America and Europe, Henry Schein is helping dental and medical health care professionals raise awareness and support for a cure for breast cancer and other cancers by offering its customers a range of pink products, including health care consumables, practice supplies, and apparel. Practice Pink, an international effort, is an initiative of Henry Schein Cares, the Company's global corporate social responsibility program.

"The fight against cancer is everyone's fight, and it is only by joining together and leveraging our collective strengths that our efforts will have the greatest effect," said Stanley M. Bergman, Chairman of the Board and Chief Executive Officer of Henry Schein. "We at Team Schein thank our customers and supplier partners for their support of the Practice Pink program, and we look forward to continuing to work toward our shared goal of a world free of cancer."

The Practice Pink program supports U.S.-based organizations such as the American Cancer Society, Cohen Children's Medical Center of Northwell Health, Stony Brook Children's Hospital, and the Memorial Sloan Kettering/Henry Schein Cares Women's Health Center. In Europe, the program supports organizations such as the Italian League for the Fight Against Cancer (LILT), Germany-based Brustkrebs Deutschland e.V., and Federacja Stowarzyszeń Amazonki in Poland.
