

## Henry Schein Announces \$400 Million Increase to Share Repurchase Plan

October 31, 2019

MELVILLE, N.Y.--(BUSINESS WIRE)--Oct. 31, 2019-- Henry Schein, Inc. (Nasdaq: H SIC), the world's largest provider of health care products and services to office-based dental and medical practitioners, announced today that its Board of Directors has authorized the repurchase of up to \$400 million of shares of the Company's common stock.

This program is in addition to the \$400 million repurchase program announced in December 2018, which as of today has approximately \$75 million remaining authorized for future repurchases.

The Company had approximately 147 million shares outstanding as of October 30, 2019. This new authorization represents approximately 4.0 percent of shares outstanding at the current stock price. Purchases may be made from time to time in the open market, or through negotiated transactions.

"Henry Schein's share repurchase program demonstrates our long-term commitment to create additional shareholder value and reflects our confidence in the long-term prospects of our business," said Stanley M. Bergman, Chairman of the Board and Chief Executive Officer of Henry Schein. "We are pleased that Henry Schein's solid balance sheet provides us with the financial flexibility to return capital to our shareholders, as we continue to pursue new markets and geographies while strengthening and broadening our health care product and service offerings."

### Cautionary Note Regarding Forward-Looking Statements

In accordance with the "Safe Harbor" provisions of the Private Securities Litigation Reform Act of 1995, we provide the following cautionary remarks regarding important factors that, among others, could cause future results to differ materially from the forward-looking statements, expectations and assumptions expressed or implied herein. All forward-looking statements made by us are subject to risks and uncertainties and are not guarantees of future performance. These forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause our actual results, performance and achievements or industry results to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. These statements are identified by the use of such terms as "may," "could," "expect," "intend," "believe," "plan," "estimate," "forecast," "project," "anticipate," "to be," "to make" or other comparable terms. A full discussion of our operations and financial condition, status of litigation matters, including factors that may affect our business and future prospects, is contained in documents we have filed with the United States Securities and Exchange Commission, or SEC, and will be contained in all subsequent periodic filings we make with the SEC. These documents identify in detail important risk factors that could cause our actual performance to differ materially from current expectations.

Risk factors and uncertainties that could cause actual results to differ materially from current and historical results include, but are not limited to: effects of a highly competitive and consolidating market; our dependence on third parties for the manufacture and supply of our products; our dependence upon sales personnel, customers, suppliers and manufacturers; our dependence on our senior management; fluctuations in quarterly earnings; risks from expansion of customer purchasing power and multi-tiered costing structures; increases in shipping costs for our products or other service issues with our third-party shippers; general global macro-economic conditions; risks associated with currency fluctuations; risks associated with political and economic uncertainty; disruptions in financial markets; volatility of the market price of our common stock; changes in the health care industry; implementation of health care laws; failure to comply with regulatory requirements and data privacy laws; risks associated with our global operations; transitional challenges associated with acquisitions and joint ventures, including the failure to achieve anticipated synergies; financial risks associated with acquisitions and joint ventures; litigation risks; new or unanticipated litigation developments and the status of litigation matters; the dependence on our continued product development, technical support and successful marketing in the technology segment; our dependence on third parties for certain technologically advanced components; increased competition by third party online commerce sites; risks from disruption to our information systems; cyberattacks or other privacy or data security breaches; certain provisions in our governing documents that may discourage third-party acquisitions of us; and changes in tax legislation. The order in which these factors appear should not be construed to indicate their relative importance or priority.

We caution that these factors may not be exhaustive and that many of these factors are beyond our ability to control or predict. Accordingly, any forward-looking statements contained herein should not be relied upon as a prediction of actual results. We undertake no duty and have no obligation to update forward-looking statements.
