MELVILLE, N.Y.--(BUSINESS WIRE)--Nov. 21, 2019-- Henry Schein, Inc. (Nasdaq: HSI) today announced its lineup of product demonstrations, educational offerings, and industry thought leadership events that will take place at the 2019 Greater New York Dental Meeting (GNYDM). The Company's portfolio of solutions, education, and social media activity featuring dental industry leaders are designed to help oral health professionals navigate the ever-changing world of dentistry.

Visitors to the GNYDM will learn why oral health professionals rely on Henry Schein to enhance their practices through the Company's digital equipment and technology solutions (booth #4225); practice management, marketing, and patient engagement solutions from Henry Schein One (#4627); and a wide variety of financial, business, and office design services and solutions from Henry Schein Financial Services, Henry Schein Professional Practice Transitions, Henry Schein Business Solutions, Henry Schein Office Design, and Henry Schein ProRepair (#4126). The Company is also hosting live events as part of its Classroom series featuring tips and tools to optimize Dentrix® treatment plans, workflow solutions for a productive practice, handpiece equipment repair, and many more important topics to help enhance practice success. For the complete schedule of daily events offered by Henry Schein throughout GNYDM, visit the Company's event [landing page](#).

“We look forward to the Greater New York Dental Meeting each year because it's a wonderful opportunity to listen to our customers and help assess the challenges they are facing with their practices,” said AJ Caffentzis, President, U.S. Dental Distribution, Henry Schein. “At this year's meeting, we will showcase solutions clinicians can use to enhance their workflow, reinforcing why our customers can rely on us to integrate business solutions, clinical solutions, technology solutions and supply chain solutions into their practices and laboratories, so they can focus on providing quality care to their patients.”

Featured Solutions to Enhance Practice Efficiency

Throughout the show, Henry Schein will demonstrate the latest products and technology solutions, including lasers, scanners, and milling units. Members of the Henry Schein Dental leadership team, along with representatives from 3Shape, A-dec, Convergent Dental, Dentsply Sirona, and Planmeca, will be available to answer questions, suggest customized solutions, and demonstrate new products, such as 3Shape TRIOS® Move, 3Shape TRIOS® 3 Basic, the A-dec 500 chair, Convergent Dental Solea® Dental Laser, and Dentsply Sirona CEREC® Primescan. Henry Schein's Exclusive Product Specialists will also be onsite presenting the new Clinician's Choice Bluewave™ Laser, Reveal™ Clear Aligners, and other exclusive product offerings available from Clinician's Choice, Sheer White, and Sprig Oral Health Technologies.

Representatives from Henry Schein Dental will be onsite to discuss new business solutions and services, such as the new Office Manager Courses, offered through the Henry Schein Business Solutions' Dental Business Institute, which originated as a year-long educational program that guides practitioners through the process of applying different business models to their practice vision.

Supporting Education to Optimize Practice Workflow and Success

Education, integration, and support are the cornerstone of Henry Schein's commitment to helping customers adopt the digital workflow with confidence and succeed in their practice. Throughout the meeting, Henry Schein and its supplier partners will host a series of in-booth presentations and demonstrations showcasing the choice of innovative, scalable digital technologies as well as business solutions that can be effectively integrated into several steps of the clinical workflow. Featured presentations include:
