TSMs from more than 20 Company locations participated in the program, spreading holiday cheer to kids in the U.S., Australia, Canada, Ireland, Italy, New Zealand, Spain, and the U.K. Holiday Cheer for Children takes different forms depending on the location, with TSMs often collecting and donating gifts and food to local nonprofit organizations, or purchasing gifts for participating children and delivering them at Company events. Henry Schein partners with local social service agencies to identify children and families who would most benefit from participating in the program.

"The Holiday Cheer for Children program exemplifies our Company's mission to support the communities in which we live and work, and the joy of celebrating with new friends and families each year only serves to reinforce our commitment to giving back," said Gerry Benjamin, Henry Schein's Executive Vice President and Chief Administrative Officer. "It is especially rewarding to see the friendships that have formed between our TSMs, our social service agency partners, and the families we serve, and we look forward to making many more new friends in the years to come."

"Team Schein has long been a valued partner in our efforts to ensure that our clients, regardless of their circumstances, experience the wonder of the holiday season," said Donna Teichner, Assistant Vice President, Preventive Services, for Family & Children's Association.
