

Henry Schein Named One of the 2020 World's Most Ethical Companies by Ethisphere

February 25, 2020

Henry Schein honored for 9th consecutive year; Recognition honors companies that take the long view with a purpose-based strategy and strive to create positive change throughout their global communities.

MELVILLE, N.Y.--(BUSINESS WIRE)--Feb. 25, 2020-- Henry Schein, Inc. (Nasdaq: HSIC), the world's largest provider of health care solutions to office-based dental and medical practitioners, has been recognized by Ethisphere, a global leader in defining and advancing the standards of ethical business practices, as one of the [2020 World's Most Ethical Companies](#).

Henry Schein has been recognized for nine consecutive years and is the only honoree in the Healthcare Products industry, further demonstrating the Company's commitment to fulfilling its responsibilities as a corporate citizen by giving back to the professions and communities it serves. In 2020, 132 honorees were recognized spanning 21 countries and 51 industries.

"It is a tremendous honor to be recognized with like-minded companies that share Henry Schein's belief that our success is rooted in a deeper commitment to aligning one's strengths as a business with the needs of society," said Stanley M. Bergman, Chairman of the Board and Chief Executive Officer of Henry Schein. "On behalf of more than 19,000 Team Schein Members around the world, I thank the Ethisphere Institute for this honor, and we congratulate our fellow honorees for their commitment to doing well by doing good."

"Congratulations to Team Schein for nine consecutive years as one of the Ethisphere Institute's 'World Most Ethical Companies'," said Ethisphere's Chief Executive Officer, Timothy Erblich. "Henry Schein continues to prove their commitment to ethical business practices, corporate social responsibility, and advancing a corporate culture defined by integrity."

Methodology & Scoring

Grounded in Ethisphere's proprietary Ethics Quotient®, the World's Most Ethical Companies assessment process includes more than 200 questions on culture, environmental and social practices, ethics and compliance activities, governance, diversity and initiatives to support a strong value chain. The process serves as an operating framework to capture and codify the leading practices of organizations across industries and around the globe. Best practices and insights from the 2020 honorees will be released in a report and webcast in March and April of this year.

All companies that participate in the assessment process receive an Analytical Scorecard providing them a holistic assessment of where their programs stand against the demanding standards of leading companies.
