MELVILLE, N.Y.--(BUSINESS WIRE)--Aug. 19, 2021-- In response to the devastating earthquake in Haiti, Henry Schein, Inc. (Nasdaq: HSIC) is aiding relief efforts by partnering with several non-governmental organizations (NGOs) responding to the disaster, as well as by opening its disaster relief fund. In addition to this vital product support, Henry Schein is opening the 2021 Disaster Relief Fund through the Henry Schein Cares Foundation to support relief efforts in Haiti. The Company and the Foundation are supporting the Fund with an initial \$50,000 donation, and the Company will match Team Schein Member contributions up to \$25,000.

"As we did in the wake of the 2010 earthquake in Haiti, Henry Schein once again stands ready to help the people of Haiti through this latest catastrophe and to support the health care professionals providing medical care," said Stanley M. Bergman, Henry Schein Chairman of the Board and Chief Executive Officer. "We are committed to support the essential work of our NGO partners in assisting the health care systems and people of Haiti with rebuilding and recovery efforts, and we will continue to respond to emerging needs as more information becomes available."
