Through Practice Pink, Henry Schein, together with non-governmental organizations and supplier partners across North America and Europe, is helping dental and medical health care professionals raise awareness and support for a cure for breast cancer and other cancers. By offering its customers a variety of pink products, including health care consumables, practice supplies, and apparel, Practice Pink supports important cancer research and prevention efforts. In 16 years, Henry Schein has donated more than \$1.8 million in connection with Practice Pink. Customers can obtain more information about these products in the Henry Schein [Dental](#) and [Medical](#) catalogs.

"We at Henry Schein firmly believe in the power of public-private partnerships to help make the world healthier, and the Henry Schein Cares Practice Pink program is a prime example of this," said Maureen Knott, Vice President of Strategic Marketing, Henry Schein Dental and President, Henry Schein Cares Foundation. "Through the collective strength and generosity of our supplier partners and our customers, we'll continue to support cancer research and prevention, and we'll continue toward our shared goal of helping to achieve a world free of cancer."

The Practice Pink program supports U.S.-based organizations including the American Cancer Society, Cohen Children's Medical Center of Northwell Health, and Stony Brook Children's Hospital. The program also supports various organizations around the world including ALADINA, Cancer Research UK, KiKa, LILT, Odyssey, and others.

About Henry Schein Cares

Henry Schein Cares stands on five pillars: empowering team Schein to reach their potential, advancing health equity and expanding access to care for underserved communities, accelerating environmental sustainability, strengthening, and diversifying our supply chain, and maintaining strong ethical governance. Health care activities supported by Henry Schein Cares focus on four main areas: (1) wellness, treatment, prevention, and education; (2) capacity building; (3) emergency preparedness and disaster response; and (4) health system strengthening.

Rooted in a deep commitment to social responsibility and the philosophy of enlightened self-interest championed by Benjamin Franklin, the purpose-driven vision of Henry Schein Cares is "doing well by doing good." Our commitment to sustained, long-term economic success while also creating shared value for society is achieved through the work of Henry Schein Cares and our stakeholder model that engages all five constituents of our Mosaic of Success.
