September 30, 2022

### Dental Laboratory Business of Henry Schein Committed to Delivering Customizable Solutions for All Digital Workflows

**Melville, NY September 30, 2022** – Zahn Dental, the laboratory business of Henry Schein, Inc. (Nasdaq: HSIC) today announced its presence at LMT LAB DAY East, offering product demonstrations at its booth, #G2. The largest dental laboratory event in the Northeast, according to LMT, will take place in Tarrytown, NY on October 1 where visitors of Zahn's booth will learn about Henry Schein's expanded portfolio of solutions that can help enhance a variety of laboratories' digital workflows.

Attendees of LMT LAB DAY East can explore the business' offerings and speak with representatives about the following solutions: Myerson's Trusana Premium 3D Print Resins, Asiga's 3D Printers, Desktop Health's Einstein 3D Printer and Flexcera Print Resins, Keystone Industries' KeyPrint Resins, DESS' Prosthetic Components, Zirlux Transitions Zirconia, and Aon's Zirconia 3D Printer.

"We are eager to reconnect with our customers and industry peers at LAB DAY East, and discuss an array of integrated solutions and breakthrough technologies that can help optimize digital workflows," said Rita Acquafredda, President, Global Dental Lab & Prosthetic Solutions, Henry Schein. "As a total solutions provider, Zahn is committed to being the partner the dental community can continue to rely on for high-quality merchandise, equipment, technology, and support."

In addition to its booth presence at LMT LAB DAY East, Zahn announces its upcoming educational roadshow, "Printing Uncovered: Implementing and Mastering a 3D Printing Workflow" where laboratory technicians and owners can learn how to implement new 3D printing equipment and materials into their digital workflow. Visitors of the booth will have an opportunity to register for these upcoming events, and all those not attending can do so [here](#).
