

Henry Schein Medical Announces Presence at Becker's ASC Review 28th Annual Meeting

October 24, 2022

Company Committed to Providing a Comprehensive Array of Products, Services, and Solutions for Ambulatory Surgery Centers

MELVILLE, N.Y., October 24, 2022 – Henry Schein Medical, the U.S. medical business of Henry Schein, Inc. (Nasdaq: HSIC), today announced its presence at Becker's ASC Review 28th Annual Meeting in Chicago from October 27 through October 29.

Visitors at Henry Schein Medical's booth (#147) can learn about the Company's surgical product offerings, [capital equipment portfolio](#), and variety of services and solutions including Provision Device Reprocessing, [Micro-Tech Endoscopy GI Devices](#), and the [HealthFirst® Crash Cart Auto-Replenishment program](#). Attendees will have the opportunity to speak with Henry Schein Surgical Solutions Specialists who exclusively serve the ambulatory surgery center (ASC) and oral and maxillofacial surgery (OMS) markets.

Throughout the meeting, members of the Henry Schein Surgical Solutions team, along with representatives from HealthFirst, will be available to answer questions and suggest customized solutions to help ASCs continue to provide high-quality same-day surgical care. Product demonstrations of the HealthFirst Crash Cart Auto-Replenishment Program, a solution that ensures enrolled emergency medications are tracked and automatically replaced, will be available at the booth.

Attendees can also meet with Henry Schein Medical representatives to discuss the Henry Schein® Brand Products, which includes gowns, drapes, and standard packs. Additionally, visitors to the booth will have the opportunity to learn about Henry Schein's ASC custom and standard procedure kits, which contain the core components needed for surgery and help to drive efficiencies in operating room set-up time.

"We are excited to be at this year's Becker's ASC Review Annual Meeting to connect with our customers, the ASC community, and industry peers," said Erica Smith, Surgical Solutions Manager at Henry Schein Medical. "We understand the unique needs of ASCs and their distinct position within the continuum of care, and we are committed to delivering solutions our customers can rely on to help enhance efficiency, boost productivity, and optimize care delivery."

Henry Schein Medical provides products, solutions, and support for all areas of an ASC including [planning](#), [equipment selection](#), [equipment and solutions delivery and setup](#), [financing](#), and [regulatory compliance](#). The Company's Surgical Solutions Specialists are dedicated to helping ASCs deliver the best quality patient care.
