

## Henry Schein Medical to Exhibit at ASCA 2023 Conference and Expo

May 17, 2023

***Company to Highlight its Products, Services, and Solutions that Help Ambulatory Surgery Centers Continue to Provide High-Quality, Same-Day Surgical Care***

**MELVILLE, N.Y., May 17, 2023** – Henry Schein Medical, the U.S. medical business of Henry Schein, Inc. (Nasdaq: HSIC), today announced its presence at the Ambulatory Surgery Center Association (ASCA) 2023 Conference and Expo in Louisville, Kentucky, from May 17 through May 20. Visitors at Henry Schein Medical's booth (#630) can explore Henry Schein® Brand products and supplies, learn about the Company's ambulatory surgery center (ASC) distribution capabilities, and discover its portfolio of Micro-Tech Endoscopy gastrointestinal (GI) offerings and single-use device reprocessing solution, Provision. Henry Schein surgical solutions specialists, who exclusively serve the ASC & Oral Maxillofacial Surgery (OMS) markets, will also be available to discuss customized solutions for ASCs.

Henry Schein Medical's booth will feature its Henry Schein® Brand surgical gowns, drapes, and standard procedure pack line, which offers procedure kits for the most frequent surgeries performed within an ASC environment including general surgery; ear, nose, and throat; and orthopedics. The full line of standard packs is pre-made for ambulatory surgery procedures, containing core components needed for surgery.

Additionally, attendees can learn about Henry Schein Medical's partnership with [Micro-Tech Endoscopy](#), which delivers a complete line of GI endoscopic devices and accessories for an ASC's GI suite, including forceps, snares, balloons, and more. Visitors to the booth will also have the opportunity to hear from Henry Schein surgical solutions specialists about the benefits of single-use device reprocessing through Provision, including enhanced cost savings and increased environmental stewardship, and the Company's supply chain efficiency and distribution abilities.

"At Henry Schein Medical, we understand the value of the human touch in a digital world, and we are pleased to be at this year's ASCA Conference and Expo to connect with the ASC community," said Scott Jackson, Vice President of Surgical Solutions at Henry Schein. "ASCA has played, and continues to play, a major role in the advancement of the industry. Its mission to assist ASCs in delivering safe, high-quality, cost-effective patient care aligns with our values at Henry Schein Medical, and we look forward to continuing to support ASCA and the ASC community."

Henry Schein Medical's ASC business is committed to amplifying the value of ASCs. Most recently, the [Company participated](#) in ASCA's National Advocacy Day on Capitol Hill. Henry Schein Medical also hosted a [virtual program](#) addressing the latest market research, supply chain trends, and staffing best practices for ASCs. In recognition of National ASC Month in August 2022, the Company presented [engaging discussions](#) with ASC thought leaders. At its National Sales Meetings in January, the team created a [mock surgery center](#) which featured the areas of a surgery center – from pre-op/post-op and operating room, to the supply room, central sterile, and GI suite.
