Company Celebrates Hygienists and Highlights their Important Role in the Dental Community

MELVILLE, N.Y., October 2, 2023 – Henry Schein, Inc. (Nasdaq: HSIC) is celebrating National Dental Hygiene Month throughout October 2023, providing education and thought leadership discussions to spotlight and support hygienists. This month serves as a time to recognize dental hygienists as essential members of the dental team who positively impact the oral and overall health of patients.

In recognition of National Dental Hygiene Month, Henry Schein has created a video that recognizes hygienists who go above and beyond in their roles as oral health professionals. In addition, Henry Schein has launched a web-based hub with educational resources, including e-books and webinars, which cover a variety of topics including patient relationship building, infection control, and clinical techniques to help support hygienists in improving the oral health of patients.
