

BioHorizons Celebrates 30 Years of Dental Innovation

July 22, 2024

Special Event Highlights BioHorizons' Legacy, Current Successes, and Vision

BIRMINGHAM, Ala. — July 22, 2024— BioHorizons, one of the world's largest dental implant companies and a subsidiary of Henry Schein, Inc. (Nasdaq: HSIC), recently celebrated its 30th anniversary. At an event at its Birmingham headquarters, the Company reflected on its remarkable growth from humble beginnings in 1994 to its current position as a leader in the dental implant industry that employs more than 700 team members worldwide.

The onsite and virtual celebration, themed "Past, Present, and Inspiring for the Future," featured BioHorizons' Executive Vice President and COO, Todd Strong, reflecting on the Company's rich history; BioHorizons' President and CEO, Steve Boggan, discussing the Company's current achievements and exciting future vision; and Emmy award-winning speaker Timothy Alexander, known for his popular [TED Talk](#), who shared an inspiring vision for overcoming adversity.

"In celebration of BioHorizons' 30th anniversary, we reflect on our unwavering dedication to science, innovation, and service, as well as our rich legacy of groundbreaking dental implant designs and tissue regeneration products," said Mr. Boggan. "We are incredibly grateful to our team members for their unwavering commitment to our mission. Our roots in the Birmingham community have been integral to our success, and we look forward to continuing to advance dental implant technology for the benefit of our customers and patients worldwide."

Founded at the University of Alabama at Birmingham Office for the Advancement of Developing Industries, BioHorizons has expanded its footprint over the past three decades. Today, the Company has offices in the U.S., Canada, Chile, Mexico, UK, Spain, Portugal, and Italy, and a global distribution center at its Birmingham headquarters, occupying more than 125,000 square feet, plus a 50,000-square foot manufacturing facility in Southern California.

BioHorizons joined Henry Schein, Inc., the world's largest provider of health care solutions to office-based dental and medical practitioners, through an initial investment by Henry Schein in 2013 followed by a full acquisition in 2018.
