

Supporting Cancer Patients: Henry Schein's Practice Pink Program Raises \$2 Million Over 18 Years

October 1, 2024

Program Demonstrates Company's Commitment to Corporate Citizenship

MELVILLE, N.Y.--(BUSINESS WIRE)--Oct. 1, 2024-- Henry Schein, Inc. (Nasdaq: HSIC) today announced the annual launch of its 2024 Practice Pink® program, a global initiative that has donated more than \$2 million over the past 18 years to help create awareness and support for the campaign against cancer. The program is an initiative of Henry Schein Cares, the Company's global corporate citizenship program.

Through the Practice Pink program, Henry Schein, together with non-governmental organizations and supplier partners across North America and Europe, assists dental and medical health care professionals in raising awareness and support to help find a cure for cancer. By offering its customers a variety of pink products, including health care consumables, practice supplies, and apparel, the Practice Pink program supports important cancer research and prevention efforts.

"As we kick off another year helping to support cancer patients and their families, Henry Schein looks forward to working with supplier partners and customers whose shared values help make the Practice Pink program a success," said Maureen Knott, Vice President of U.S. Supplier Initiatives, Henry Schein, and President of the Henry Schein Cares Foundation. "Thanks to our public-private partnerships, we can help advance cancer research and prevention while providing comfort to those impacted by cancer. Together, we can help health happen."

The Practice Pink program supports U.S.-based organizations, including the American Cancer Society. The program also supports various organizations in Europe, including ALADINA, KiKa, LILT, Odyssey, and others.
