

Zahn Dental Expands Line-Up of Educational Opportunities for Dental Laboratory Owners and Technicians

November 1, 2024

Launches New Podcast, and Offers Greater Access to Webinars, Roadshows, Hands-On Education

MELVILLE, NY – November 1, 2024 – Zahn Dental, the U.S. dental laboratory business of Henry Schein, Inc. (HSIC: Nasdaq), announced a robust schedule of in-person and virtual opportunities through the end of 2024. Available from [Zahn Academy](#), dental laboratory owners and technicians can take advantage of end-of-year educational courses and learn more about the application of the latest innovations and industry trends.

Educational opportunities from Zahn Dental are available via online webinars, in-person roadshows, and hands-on simulations. New this year, Zahn Dental launched its podcast, “Zahn Insider.” On the [first episode](#), Mark Palmer, Vice President & General Manager of Zahn Dental, addressed how dental labs can effectively implement Six Sigma in production and workflow processes, as well as the benefits of Zahn’s newest state-of-the-art distribution center. In 2025, Zahn plans to produce new podcasts each quarter.

“At Zahn Dental, our multi-channel educational resources meet customers where they are, helping to deliver more flexible and convenient options to receive the latest insights and innovations from industry experts,” said Mr. Palmer.

The following events are available both virtually and in-person through the remainder of 2024.
